Descrizione vetrina

Luca Ciabatti is art and music. I always rely on the concept of simplicity. Things that I will bring always with me are colors, circles, nature, my monstèr, minimal and ordered chaos. My illustrations are inspired by my thoughts, often I try to convey a prompt message. Currently I do graphic designer, illustration, ideas, personal projects. Meanwhile I dedicate to web magazine aremun.com as creative artistic. Quote: In any art, simplicity is essential (Arthur Schopenhauer) About me: myspace.com/lucaaremun My art show: flickr.com/lucaciabatti My music: aremun.com
