Descrizione vetrina

Fotografa, classe 1985. Diplomata all'accademia Altieri di Roma in fotografia professionale e digitale nella sezione moda con esito 60/60. Ha collaborato con Hotel Domani, rivista nel settore turistico/alberghiero. Stage sfilate di moda Motor Show di Roma nel 2005. Assistente servizi pubblicitari. Eposizione collettiva "Festival culture Giovani" PESCARA Esposizione collettiva "WI FI ART" Circolo degli artisti ROMA Mostra personale "Lepidotteri e donne" presso il Groove di Pescara La mia fotografia è diretta, asciutta: dal suo amore per i dettagli, per quanto apparentemente insignificanti, scaturisce un insieme dall'impatto immediato e violento. Immagini sporche, inquadrature neutre svelano, come un rito catartico, una bellezza altra, nascosta.
