

Giovanni Matola

Illustratore

Località: Italy > Piemonte > Torino

Anni di Esperienza: 5-10
Ricerca Occupazione: Si
Disponibilità Stage: No

Descrizione vetrina

Attualmente assunto come grafico, riesco saltuariamente a lavorare su ciò che più mi piace: il disegno. Da sempre molto affascinato dal mondo dell'animazione, il mio stile varia ma rimane comunque molto "fumettoso". La mia massima aspirazione sarebbe di diventare illustratore a tutti gli effetti... ma sto valutando anche l'astronauta.
