Descrizione vetrina

I design, I create, I sketch, and I read every day. If I am not doing any of these things, it?s because I am thinking about them. I am a curious person and I would love to learn everything; from design to code, photography to art. I want to touch my limits to know, at least, what is the meaning of doing something just to be able to say I HAVE TRIED! Sociable, open minded and passionate about people?s beaviour and psychology, I am a quick learner an I could be the perfect asset to your company. Confucius said: "Choose a job you love, and you will never have to work a day in your life." And I feel like I haven't work one day for the last 14 years! Skills ? Proficiency in wireframing and sketching using Omnigraffle, Axure or Balsamiq ? Passionate about psychology and human behaviours ? Excellent communication skills, both written and verbal ? Advances in the use of the Adobe CC Suite (InDesign, Illustrator, Photoshop, Acrobat) ? Good hand coding skills (Html5, Css3) ? Great creativity skills, concept research and development ? Proficiency in Prototypes and Mockups using Axure, Balsamiq, InVision and Marvel ? Excellent in the use of the Ms Office Suite (PowerPoint, Words, Excel) ? Strong interest in anything, curious by nature, up-to-date with the latest trend ? Passionate about technology ? A team player able to work within a wider content creation team and across multiple departments within the business ? Willing to go the extra mile ? Passionate for user-centred design, service design and knowledge of information architecture, usability, accessibility, interaction design ? Keen on take responsibility ? Experience with Social Media and online communities ? Good knowledge of front-end technologies and frameworks (HTML, CSS, JavaScript, Angular, Twitter bootstrap, Zurb Foundation, Ionic) ? Keen to learn new software and platform ? ?Can Do? attitude able to remain approachable and helpful to others ? Great ability in mentoring and be mentored
