Descrizione vetrina

My greatest skill is the fantasy! I like to be part of different projects in different fields! I moved to London two years ago to learn English and with that give the possibility to my works to meet an international market. As you can read, my english is not perfect yet, but I truly believe that ideas have no languages or frontiers. Anyway, I have three different translators (one is english mother tongue) that are always ready to help me. If you are looking for an Author with strong "healthy" addiction to its job, and you need a great team-worker, please, do not hesitate to contact me. I will be more than happy to hear from You. Autore di Testi per canzoni, di Poesie, Soggetti per Cinema e Teatro, Racconti per bambini e Favole per tutta la famiglia, Progetti ed Eventi. Dopo aver scoperto il mio mondo creativo, ho cercato di eliminare il maggior numero di barriere culturali per avere una visione creativa quanto più aperta possibile, questa mia ricerca non è finita e forse mai finirà ed i risultati creativi sono le centinaia di pagine che formano il mio bagaglio lavorativo. L'Obiettivo professionale è di lavorare come Autore/Creativo Freelance a diversi progetti usando mie idee o collaborando ad altre. Dall'Artista in Erba all'Azienda Internazionale, ovunque ci sia Rispetto, Meritocrazia e Visione.
