Descrizione vetrina

xplore Engage is a 3D augmented reality specialist and leader across web, mobile and head mounted display working in advertising, marketing, entertainment, property, retail and other industries. Based in Sydney, Australia and working with worldwide clients, Explore Engage focuses on user experience and innovation. Explore Engage works with licensed and proprietary specialized software for brands such as McDonalds, Kia, HSBC, Opera Australia and major national and international sporting codes and regularly providing its clients with first to market opportunities. The company works with clients and agencies to achieve affordable, accessible and superior interactive experiences. Our vision is to grow further in 2011 geographically and with platform based solutions for a range of clients. We aim to become further synonymous with quality and innovation in augmented reality applications across all devices and industries. http://www.youtube.com/watch?v=tTyXG4TBLiE How to reach us www.exploreengage.com twitter: AR_ITALIA alessio@exploreengage.com
