Descrizione vetrina

elisa.colombano@hotmail.it Sono una ragazza decisa, determinata che ama le cose semplici e pulite. Mi piace sognare, ma dopo il sogno cerco sempre di riportarmi alla realtà, miscelando possibile ed impossibile in tutti gli aspetti della mia vita: cerco sempre di rispecchiare la mia personalità nei progetti che realizzo, perché credo sia questo l'elemento che li rende diversi dagli altri e unici. L'EVOLUZIONE di un elemento, il cui percorso di CAMBIAMENTO inizia con una forma per terminare con un altro significato. Questa è la mia filosofia di vita: la ricerca del MEGLIO.
