Descrizione vetrina

Mi considero una persona eclettica, ambiziosa e curiosa, qualità che mi spingono a cercare nuove sfide e relazioni professionali che arricchiscano la mia cultura creativa e quella dell'azienda. La mia passione per il cinema, la moda, i comics e le graphic novels, l'universo delle tendenze urbane, la danza e l'arte creano un melting pot originale di gusto ed inventiva che, uniti ad un'ottima capacità nel disegno, mi rendono portavoce di nuovi stimoli e motivazioni, finalizzate a raggiungere il miglior risultato professionale possibile. Sono puntuale e rispetto le scadenze, requisito indispensabile per questo lavoro. Credo fermamente nell'assoluta potenza dell'IDEA come origine di tutto il processo creativo, come struttura centrale portante dalla quale diramare in seguito i canali della Creatività e della Comunicazione.
