One day, my boss said me:
"Hi, Claudia. We would like to do an advertisement for Ivo's Kitchen in the magazine Amsterdam Enjoy.

Amsterdam Enjoy is a bimonthly multicultural, colorful magazine that you can take for free.
This magazine promotes an innovative way special, physical and creative activities, conscious shopping, characteristic places in the city.
What I thought then was:
"Ok, how I can promote a Restaurant in a creative magazine?"
This is how this food illustration was born.
