Descrizione vetrina

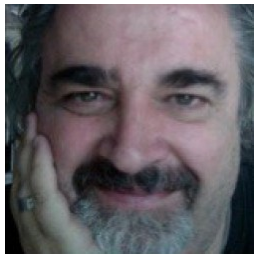

Autore, creativo pubblicitario, umorista, intrattenitore, opinionista, grafologo, illustratore, tuttologo e nientologo assieme. Nasce nel 1964. Vive tra il 1964 e il 2015. Muore.... o almeno "dovrebbe" morire prima o poi anche lui, come tutti, in data da destinarsi... possibilmente su un amaca, con una bella sventolona a fianco, guardando il sole della Polinesia.
