Descrizione vetrina

Da oltre 20 anni mi occupo di foto di scena (prevalentemente musica classica e jazz, ma anche opera e balletto) e di architettura, sia in interni che in esterni, e di quanto ad essi collegato (eventi, meetings, conferenze). Tra i miei committenti: SPETTACOLO - Orchestra I Pomeriggi Musicali di Milano, Orchestra Verdi Milano, Tokyo Ballet, Festival Umberto Giordano, Festival Nuove Sincronie, Concorso per voci verdiane a Busseto, Civica Scuola D'arte Drammatica, Amici Del Loggione Del T. Alla Scala, Associazione Amici della Musica, Edizioni musicali Sonzogno. ARCHITETTURA / INDUSTRIALE - Risanamento spa, City-Life, Assolombarda, Italian-Way, Bomi e vari studi d'architettura. REPORTAGE / REDAZIONALI - Provincia di Milano, ATM, S.E.A., CPS zona 1 - Milano, A.I.E.D., pubblicati su Amadeus, Musica Viva, Seicorde, Rock Sound, Caféracer, Kustom, Freeway Magazine, ViviMilano, Vera, P-Magazine/Polaroid oltre ai principali quotidiani nazionali. Il mio filone di ricerca, prevalentemente legata alla fotografia istantanea, è stato esposto in diverse mostre collettive e personali in Italia e Svizzera. Quando non fotografo scrivo musica e suono la chitarra elettrica con The M.O.N.K. - a surf-jazz combo. www.armandomoneta.it
